

ANNEXURE XIX
HARYANA COLLEGE OF TECHNOLOGY & MANAGEMENT, KAITHAL

Cultural /Programs

The College believes in the all-round development of its students. To this aim technical and cultural activities are regular features on the college campus. College also celebrates its college day as founder's days, which provides the opportunity to the students polish and exhibit their talents. In addition to this, the college participates in other cultural festivals held at various colleges. The college management has been taking keen interest in such extra curricular activities, as these are not only an inseparable part of the student life but a necessity also for the overall development of the budding generation. The management is hopeful that one day the college will be the largest prizewinner college among all the self-financing colleges. To fulfill this aim, the college management has encouraged the students to participate in the following cultural and technical events:-
